

## Peace Memorial renews hope in downtown Clearwater with world class concerts.

For more than a decade, Peace Memorial Presbyterian Church has presented an annual concert series. Folks gather in the historic sanctuary at three o'clock in the afternoon on second Sundays, October through March, to hear celebrated artists perform music of all genres.

As the pandemic continues, Peace Concerts find a new normal at a time cultural enrichment is especially vital to our mental health and wellness. With a spirit of safety-minded cooperation amongst performers and patrons, we continue to maintain *best practices* for a successful Concert Season.

To keep our music playing, CDC guidelines will be observed. Additionally:

- Doors open no earlier than thirty-minutes prior to minimize our time indoors, and to reduce congregating in entrance areas;
- Regardless of immunization status, all patrons must wear a mask over their nose and mouth while inside the venue;
- To minimize exposure risks, we require proof of full immunization (at least 14 days since the final dose) or a COVID-19 PCR negative test result within 72-hours prior, or a negative COVID-19 antigen test result within 6-hours prior;

- A valid government issued ID is required for verification of immunization status.
- There is no post-concert reception;
- Concerts are limited to approximately 60-minutes, without intermission.

Please join us in bringing hope to one another through music! While we resume a tradition of not requiring tickets and first-come, first-served general admission seating, we will receive a free-will offering. Your generosity enables us to honor our contracts with musicians and ensures the viability of future concert seasons.

For those more comfortable listening from home, we offer an online streaming option for a very modest fee. To purchase streaming access with no convenience fees, please visit [itickets.com](http://itickets.com) or telephone 800 | 965-9324.
