

**Peace Memorial Music Series
Statement of Purpose**

Music is a great part of our heritage at Peace Memorial. The generosity of prior members blessed us with a historic building, lovely stained glass windows, a magnificent pipe organ and a fine concert grand piano. Our members are committed to sharing these facilities with the community. We believe that beautiful music has the capacity to uplift the human spirit. This is not a series of sacred music. Rather, we strive to bring the community a wide variety of quality music of all genres. By presenting music in our sanctuary, we hope to enhance downtown Clearwater as a cultural destination, to find new friends to assist us in our mission programs and to join our church family.

Our concerts are usually held at 3 o'clock on the second Sunday of each month (unless noted). Doors open at 2:30. A light reception in the church hall follows and events conclude between 4:30-5 p.m. Seating is on a first come, first served basis. No tickets are required but an offering will be taken. We kindly suggest a minimum donation of \$5 to support future concerts.

All are welcome at our regular Sunday worship at 10:30 am. To learn about this historic church and its many other activities and missions, visit our website at www.PeaceMemorial.org.
